How do joints help animals and people to move?

The last phase of learning

Reflection

1. Did you enjoy today's lesson? When giving your reasons please answer using a complete sentence. Remember you are writing so don't start with "Yes, I " as you might when speaking.

2. Of the words/phrases made up by your group, which was your favourite?

3. Using a complete sentence, explain why you chose it.

4. The focus question for this lesson was *How do joints help animals and people to move?* Write down four things you understand now about joints that you didn't understand before.

i.

ii.

iii.

iv.

5. Another focus of this lesson was to help you to learn some more ways of making your writing more persuasive. Which technique/s were new to you? Write them, using a comma between each one.

6. Rate your performance as a listener.

poor

excellent

7. Rate your performance as a speaker/contributor.
