The last phase of learning Reflection

Focus questions

1. How do movie directors use dialogue to encourage us to see and feel about aspects of our lives?
2. How can we use dialogue to encourage the people around us to have **positive** feelings about improving their health?
3. To work effectively with a partner.

1. Did you enjoy today's lesson? When giving your reasons please answer using a complete sentence. Remember you are writing so don't start with "Yes, I " as you might when speaking.

2. Of the short dialogues you and your partner made up, which was your favourite?

3. Using a complete sentence, explain why you chose it.

4. One of the focus questions for this lesson was *How do movie directors use dialogue to encourage us to see and feel about aspects of our lives?*

5. Write down four things you understand now about the role of dialogue in movies that you didn't understand before.

- i.
- ii.
- iii.
- iv.
