

Year 9/10 Adolescent Health Program - Teeth Whitening

<p>Teeth whitening and oral health</p>	<p>Teeth whitening scenario</p>	<p>Any of the articles below can form part of this activity.</p>	<p>Teeth Whitening Making your own decision 1 ADA "Should I whiten my teeth?" Article 2 ADA Teeth whitening "What can go wrong?" Article 3 ADA "Whitening the natural way"</p>	<p>This is an umbrella activity which could serve as a (slight) real world setting. It emphasises decision making.</p>	
	<p>Introductory: a. Newspaper article with analysis of argument task</p>	<ul style="list-style-type: none"> • Reading strategy: prediction from headline • Skill: Extracting an argument using a framework • Collaborative or individual 	<p>"Teeth bared in bleach row" Jill Stark November 29, 2009 http://www.theage.com.au/national/teeth-bared-in-bleach-row-20090815-elsk.html Teeth 2009 whitening news worksheet</p>		<p>becoming critical consumers able to access, interpret, analyse, challenge and evaluate the ever-expanding and changing knowledge base in the health </p>
	<p>b. Fact Sheet covering all topics</p>	<ul style="list-style-type: none"> • Reading strategy: Scanning 	<p>Australian Dental Association Inc. <i>Teeth Whitening: Quick Facts</i> http://www.toothwhiteningfacts.com.au/Quick-facts.htm Article 4 ADA "Teeth whitening the facts"</p>	<p>Students for whom English is an additional language or dialect Suitable for EAL/D whole class activity or a quick one-off.</p>	
	<p>c. Information sheets with more detailed information than the one above</p>	<ul style="list-style-type: none"> • Reading strategy: scanning • Collaborative strategy: jigsaw • Reflecting on learning: on the reverse of the worksheet, students to give reasons whether or not the jigsaw strategy helped them 	<p>All articles are from the Australian Dental Association Inc. For copyright reasons, the article is not included on the worksheet but the hyperlink is given. The worksheet is the same for each article so you may</p>	<p>Students for whom English is an additional language or dialect as articles and policy statements have dot points. Incorporating these articles into the following activity with groups a</p>	

		<p>to understand the content.</p>	<p>wish just to print one.</p> <p>Article 1: <i>Should I whiten my teeth?</i> http://www.toothwhiteningfacts.com.au/Should-I-whiten-my-teeth.htm</p> <p>Article 2: <i>What can go wrong?</i> http://www.toothwhiteningfacts.com.au/What-can-go-wrong.htm</p> <p>Article 3: <i>Whitening the natural way.</i> http://www.toothwhiteningfacts.com.au/Natural-whitening.htm</p>	<p>mixture of first language English speakers and EAL/D students would be good to help vocabulary development and speaking confidence.</p>	
	<ol style="list-style-type: none"> 1. The role of government and professional associations in monitoring and setting standards for health issues. 2. There are organisations from which one can seek information to make an informed decision. 	<ul style="list-style-type: none"> • Collaborative strategy: jigsaw • Reading strategy: diagramming: mind map • Reflecting on learning: on the reverse of the worksheet, students to give reasons whether or not the jigsaw strategy helped them to understand the content. 	<p>The worksheet suits all documents.</p> <p>Role of govt and assoc Australian Consumer and competition commission Teeth whitening NB. Mind map sheet is A4 but could be better on A3.</p> <ol style="list-style-type: none"> 1. Australian Competition and Consumer Commission Product Safety Bulletins <i>Safety of do-it-yourself (DIY) teeth whitening products for at home use.</i> July 2012 <p>General website http://www.accc.gov.au/Bulletin https://www.productsafety.gov.au/content/index.php/itemId/995441/from</p>	<p>GATE</p> <p>This is a longer and more complex task but the jigsaw strategy gives students the opportunity to learn through discussion and listening.</p> <p>May be worth investigating how familiar students are with jigsaw strategy as it would save time.</p> <p>Students end up with a mind map which service as study notes.</p>
