

## Article 1

### Should I whiten my teeth?

<http://www.toothwhiteningfacts.com.au/Should-I-whiten-my-teeth.htm>

Name \_\_\_\_\_

Date \_\_\_\_\_

**Reading strategy: Skimming**

### Instructions

1. Read the headings in this article only.
2. Answer the following questions.
  - For whom is the article written? [Who is the audience?] \_\_\_\_\_
  - Do you think the information from the Australian Dental Association Inc. will be reliable? Yes/No
3. Now, re-read the article underlining any words or phrases you don't understand.
4. When you are working in groups, discuss the meanings with other group members.
5. After you have heard the other presentations from your Expert Group, write a short paragraph about whether or not the activity has changed your views about teeth whitening.

Article available from Australian Dental Association Inc

<http://www.toothwhiteningfacts.com.au/Should-I-whiten-my-teeth.htm>

### Preparation for the presentation to another group

Title of article	
Who wrote it	
Is it a reliable source?	
What do they suggest you do to make a decision about teeth whitening?	(Not too much detail here. You can provide further information from memory)
Explain your reasons.	Dot points

After you have worked in your Expert Group, write a paragraph explaining whether or not your views have been changed by this activity. (Go over the page if necessary)
